

## 2024 Art Select Deluxe Displays

With the launch of new wood- and stone-inspired designs, we're excited to help you showcase this high-end collection, offering a 30 mil wear layer in both gluedown and rigid core. Art Select point-of-sale updates begin shipping in late May. Your Karndean sales representative will be available to assist.

### Two pallets will include:

- Sample boards for wood designs – six boxes
- Sample boards for stone designs – three boxes
- Deluxe stand for wood designs – one box
- Mini deluxe stand for stone designs – one box
- Graphics for deluxe stand – one box
- Graphics for mini deluxe stand – one box
- Literature – two packets

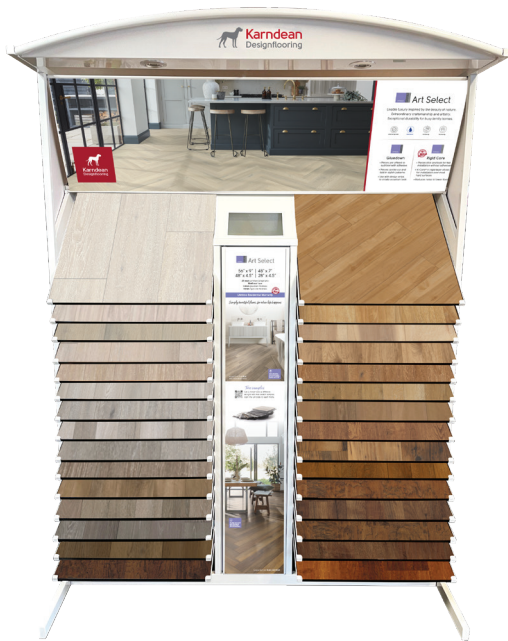

**Please note:** Some display shipments will include a packet of labels to be applied to the backs of the sample boards. If you have questions, please contact your Karndean representative.

**Display planogram:** These charts show how your display will be merchandised.

Indicates existing Art Select design being carried forward.

Indicates Da Vinci design being moved into Art Select.
